

Quality Since 1950

Join us August 13-16, 2015 at

For the 44th Annual Pepsi

Visit our display booth at the north end of the upper Professional's Pit Row. We would love to see you there.

This is Idaho's premiere motorsport's national championship. Literally the Who's Who in the sport of drag racing have and will be a part of what is recognized as Firebird's "Signature Event". The featured stars include: AA/Fuel Dragsters, AA/Funny Cars, and the West Coast Outlaw Pro Modified Association.

The excitement of the Stagecoach wheel stander and Jets will light-up the night-time mega event, too.

The Saturday Night Thunder is one of the biggest nights of the entire season where all the Pro Stars compete in their final qualifying attempts. In addition, hundreds of racers battle in the National Dragster Bracketeer Challenge offering a combined purse topping \$170,000.
